Dear Ray & Jim,

I wanted to take this opportunity to thank you so much for bringing THE BIKINIS to us. We knew when we first looked at the script it was going to be fun, with a song list of every one of our favorite songs of the 60's, 70's and even 80's. We also felt that as a theatre company located on the Jersey Shore that with its "jersey Shore" storyline it would appeal to our audiences.

What we didn't expect, however, was that it would be such a huge hit! We sold out every performance with a waiting list of over 20 people for each performance. Even holding the show over an additional week wasn't enough...our waiting list for the final performance was over 70 people and we still received phone calls in the office after the show closed from people still wanting to buy tickets. We should have extended, yet again!

We were also thrilled that not only did our subscribers and regular audience base enjoy the show, but first time ticket buyers were also coming in throngs. We couldn't have been happier.

The show was fun, bright, cheerful and at every performance we'd watch an audience with smiles plastered across their faces, even singing along and dancing in their seats, barely able to contain themselves! Each performance ended with spontaneous standing ovations and cheers.

Thank you again for such a great show!

Sincerely,

Thomas Morrissey
